TO: All Poultry Exhibitors

Let's get ready for the 2017 Oconto County Fair, August 17-20! As you work with your poultry project this summer, don't forget about the paperwork that is required for county fair check-in.

All necessary forms can be found on our website at <http://oconto.uwex.edu/agriculture/youth-agriculture-programs/>. If you don't have access to internet or a printer, we will be happy to send you copies in the mail- just let us know! Specific Oconto County Youth Fair rules and requirements for your animal department can be accessed at <http://ocontocountyfair.org/Home>.

Please fill out these materials and bring them with you to county fair check-in:

- 2017 Poultry Project Record Form- Please sign this form and list your three educational points.
- 2017 Drug History Form for each animal.
- Educational Point Requirement Information Sheet- The document explains educational points, who needs them, and how you can earn them. One of these points should be directly related to the Poultry Project. (**REMEMBER:** Daily chores or working on a farm no longer counts as an educational point. Please read through the list carefully to make sure you are obtaining appropriate educational points!)

If you have any questions, please feel free to contact a Poultry Project Leader or Sarah Mills-Lloyd at 920-834-6845.

See you in August!
