

### **Take it to the fair!**

Your fair project entry will depend on what kind of diseases you research.

This will be your sign up info:

- 1) On [www.4honline.com](http://www.4honline.com) add Veterinary Science to the Projects tab.
- 2) If your disease is a type of bacteria, you will need 5 types in your poster.  
Dept 10: Animal & Vet Science  
Class B: Animal Disease  
Lot 1 (grades 3-8) Lot 4 (grades 9 & up)
- 3) If your disease is a parasite you will need to show its lifecycle in order to qualify  
Dept 10: Animal & Vet Science  
Class B: Animal Disease  
Lot 2 (grades 3-8) Lot 5 (grades 9 & up)
- 4) Or if you want to enter your poster on 3 diseases:  
Dept. 10: Animal & Vet Science  
Class E: Self-Determined  
Lot 1: poster promoting your self-determined project
