

**2011 – 2012  
4-H County Committee Sign-Up Sheet**

County Committees are extremely important to 4-H youth. Committees plan and put into action county-wide education programs and activities. The committees are required to report back to the Board of Directors and the 4-H Leaders Association.

Please sign up to serve in your interest area for the coming year. If you are currently on a committee, you must still send in this sign-up sheet. Committee lists are generated from these sign-up sheets each year.
