

Oconto County 4-H Friday Notes August 12th, 2016

New Stuff

I hope everyone is ready (or almost ready) for the fair. I know the food stand has been buzzing for the last couple of weeks with some much needed repairs. The outside window counters have been replaced with more weather-resistant material. The milk house board under the counters has been replaced with steel siding. The north side door and frame have been replaced and the threshold on the east side door has been replaced-be sure to check it out.

I will be working in the food stand as a 4-H volunteer during the fair, so I won't be in the Extension office on Thursday and Friday, August 18th and 19th so come on by and say hi when you're not busy. (We are always looking for dishwashers! Lol!)

See you at the fair! Arvilla Rusnak

2016 Hauling/Processing Plan for the Fair, (turned in at check-in)

The 2016 Oconto County Youth Fair Board has made arrangements with Meatski's Meat and Maplewood Meats to deliver any animal that is to be butchered, even if you're animal did not make the sale of champions. Please see the attached form for more information. The form should be completed and brought to the fair at check-in. If you have any questions contact Chris Engebretsen, (920) 373-3799

The schedule for delivery is as follows:

Meatski's Meats Monday, August 22 6:30am

- Loading of Hogs & Steers

Maplewood Meats Sunday, August 21 6:30pm

- Loading of Sheep, Goats, Lambs & Steers to be done prior to animal release on Sunday evening
- Loading of Hogs will be Monday 6:45am

After Fair Food Stand Clean-up Party!

Because I need to be in the Extension Office on the Monday after the fair, I am changing the after fair clean-up at the Food Stand to Saturday, August 27th from 9:00am-12:00pm. We could use about 10 older youth and adults to help. There are not many tasks for younger children but feel free to bring them along, there is a playground nearby. When the clean-up is completed we will relax and lunch will be provided. Please let me know as soon as possible if you will be willing to help. Thank you so much! Fall Forum Registration Begins September 6th

What is Fall Forum? OMG! You will never look at 4-H the same way again after experiencing Fall Forum. Fall Forum will be held November 4th-6th at Green Lake Conference Center, Green Lake. It is open to adult volunteer leaders and youth, grades 7-13.

Still curious? Great! (I knew you would be.) Opening night at Fall Forum kicks off with over 20 different interactive sessions and Saturday has over 25 workshops to choose from! Here's a list of some the great sessions you can attend:

Electricity Science Archery 4-H Military Kids Exploring Upham Woods
Photography First Generation 4-H Team building

Keep watching Friday Notes for more information!

Important Stuff

Board of Directors Meeting: August 28th

The next 4-H Leaders Association meeting will be held on August 28th at 4:30pm at St Clare's Hospital in Oconto Falls.

Project Development Survey

Over the past three years The Project Development Committee has been committed to offering three project events each year, 4-H Fall Kick-Off, January Thaw and Spring Fling. We would like your input to make these events more in tune with our members. Please take a few minutes to answer some questions in our survey and help us make these 4-H project events even better! We encourage both adult and youth members, with an adult's help, to complete the survey. Thank you from the Project Development Committee. Food Stand Order Pad

The new food stand order pads are printed and a copy is attached. Look it over and get familiar with it, the Fair is coming fast. If you have any suggestions to improve them for next year we would love to hear them.
