Dairy Stall Requests, August 1st

Dairy project members that will be exhibiting in the fair need to provide a count of how many dairy animals you will be showing this year. You will need to give a count for dairy animals in each of the following categories: cows, yearlings and calves. This information is vital to ensure that there is sufficient housing for your animal(s) during the fair.

Please call (920-598-0710), text (920-598-0710), or email (ehbuhrandt711@yahoo.com) Dairy Superintendent Erin Buhrandt by **August 1, 2016** with your count. Any information given after August 1, will not guarantee the appropriate stall dimensions for your animals brought to the fair.

Sheep and Swine Penning Request, August 8th

Sheep and Swine project members that will be exhibiting in the fair need to complete an Oconto County 2016 Pen Assignments form to provide a count of how many animals you will be exhibiting. Knowing how many animals will be exhibited ahead of time will help us assign pens in the barn. (Form is attached)

Please send the form to Sheep and Swine Superintendent Bobbie Windus by **August 8, 2016**—you may also text the information if you would like to (920) 604-1687.

Rabbit, Geese, Duck, Chicken, Turkey Fair Cage Requests, July 31st

Anyone exhibiting rabbits, geese, ducks, chickens or turkeys at the fair need to fill out a Cage Request form. You may request one cage for each animal. Be sure to indicate how many cages you will need for each type of animal you will be exhibiting so that enough cages will be available for your animals during the fair. Please return the form to Fair Superintendent Debby Krueger by July 31st. (Form is attached)

Project Development Survey

Over the past three years The Project Development Committee has been committed to offering three project events each year, 4-H Fall Kick-Off, January Thaw and Spring Fling. We would like your input to make these events more in tune with our members. Please take a few minutes to answer some questions in our survey and help us make these 4-H project events even better! We encourage both adult and youth members, with an adult's help, to complete the survey. Thank you from the Project Development Committee.
