

Beef Cow/Calf Management & Grazing Field Day

Wednesday, October 1st

Hosted by Roger & Rita Krans - 2891 Florence Cty N
(Farm is about 7 miles south of Florence - signs will be posted)

1 p.m. to 5:30 p.m.

\$5 Registration fee includes snacks & handouts

Featuring Krans' recently installed Fencing systems, cost-shared by Natural Resource Conservation Services' Environmental Quality Incentives Program

Topics are being finalized, but will include:

- Perennial Forage Selection
- Grazing and Forage Management in Varying Conditions (including pasture walk)
- Parasite Management and other Fall Herd Management Considerations
- Fencing Facts, Figures, and How-to's
- Corn Silage Question & Answer session at day's end

Corn silage producers will also be able to have their corn tested for whole-plant moisture. Testing will be free to all Florence County producers, \$5 per sample for others. If possible, please arrive early if bringing corn samples so that chopping can get completed in a timely manner.

Co-sponsored by Florence & Marinette County UW-Extension

To pre-register (not required, but appreciated) or if you have any questions, please call Kathy in Florence at 715-528-4480, Scott in Marinette at 715-732-7510 or toll-free at 1-877-884-4480 or email to scott.reuss@ces.uwex.edu

The University of Wisconsin-Extension provides affirmative action and equal opportunity in education, programming and employment. If you need any accommodations to assist in your participation of this program, please contact Scott or Gina at 715,732-7510 at least 24 hours prior to the event. All requests will be kept confidential.
